

2012 COST OF COLLEGE LISTINGS

Friday, April 20, 2012

To determine your Phillips financial eligibility, you must first know what your cost of attendance for 2012-2013 will be. If your school is on the list below, you may use the cost provided. Many of the colleges listed here and sorted alphabetically are ones that current recipients are attending or have attended in the recent past.

Because of the number of schools in the United States, we cannot provide costs of all colleges, and your school may not appear in this list. If your school is not on this list, it only means you must calculate the cost yourself, using the Worksheet for Calculating and Determining Cost of Attendance for 2012-2013 which is part of the Phillips' application. You must provide proof of the tuition, room and board and fees which should come from the school's website, catalogue or award letter and the figures you use from one of these sources should be highlighted.
