Find an Affordable School

Many schools offer the opportunity to attend college affordably. Learn about the costs and benefits associated with the schools you listed on your form.

School Name	Graduation Rate	Retention Rate	Transfer Rate	Default Rate	Median Debt Upon Completion	Average Annual Cost
College University	90.5%	88%	4.55%	1%	\$20,000	\$10,000

Next Steps

1 Correct any errors on your FAFSA® form

Review your FAFSA form responses carefully and make sure all the information you provided is correct. You'll need to wait until we are able to accept FAFSA corrections to add schools or correct any errors.

If you need to report significant changes in your family or financial situation, contact your college's or career school's financial aid office.

2 Make sure your schools have everything they need

The financial aid staff at your school may contact you to resolve any issues related to information reported on your FAFSA form.

You can also reach out directly to your school and find out if any additional documentation is required.

3 Look out for aid-related communications from your schools

Once the schools you applied to have processed your FAFSA form, they will send you financial aid offers. These aid offers tell you what aid you can receive at a particular college or career school.

Keep in mind that you don't have to accept all the student aid that is offered, and that your schools may offer amounts that differ from your federal student aid estimates.

For Your Awareness

- VA Education and Training Benefits help veterans, service members, and their family members with needs like paying college tuition or finding the right school.
- Based on the information we have on record for you, your Student Aid Index (SAI) is -1500. You may be eligible to receive a Federal Pell Grant and other federal student aid. Your college's or career school's financial aid office will use your SAI to determine your eligibility for other types of grants, scholarships, work-study funds, and loans.

Understand Your Tax Benefits

Did you know that the IRS provides tax benefits for education? These tax benefits can be used to get back some of the money you spend on tuition or loan interest, or to maximize your college savings.
